INSTRUCTIONS FOR COMPLETING CERTIFICATE OF ATTEST EXPERIENCE (PUBLIC ACCOUNTING)

The Certificate of Attest Experience (Public Accounting) is used by licensees to communicate to the CBA the experience an applicant has obtained while under their supervision in order for the CBA to determine whether the experience meets the requirements of CBA Regulation, Section 12.5.

Public accounting experience should be of a character and variety that enables the applicant to demonstrate the ability to understand the requirements of planning and conducting a financial statement audit or perform other attest services with minimum supervision that results in an opinion on full disclosure financial statements.

For the authorization to sign attest reports, applicants applying for licensure under either Pathway 1 or Pathway 2 **must** obtain a **minimum of 500 hours of attest experience**. It is important that very early in the applicant's employment the licensee and applicant formulate a plan tailored to demonstrate a variety of experience in audit services. A contemporaneous time record should be prepared and monitored by the licensee and the applicant.

1. Qualifying Experience.

Experience required under Items I, II, and III on the Certificate of Attest Experience (Public Accounting), it is expected the applicant will have gained attest experience in applying the procedures normally applied in a variety of situations. The applicant is expected to have experience in planning audits. It is unnecessary for an applicant to have performed all the procedures below or any single procedure any particular number of times. This experience may be obtained in one or more engagements, in one or more industries.

Typical audit planning and procedures include, but are not limited to, the following:

- a. Obtaining sufficient understanding of the components of internal control (control environment, risk assessment, control activities, information and communications, and monitoring) to plan the audit. Procedures are usually performed to ascertain whether such components were in effect and operating effectively.
- b. Assessing risks embodied in the account balance, transaction class, and disclosure components of the financial statements and determining materiality.
- c. Applying appropriate analytical review procedures in performing an attestation engagement.
- d. Applying appropriate testing procedures to determine the existence and reasonableness of asset account balances such as cash, accounts receivable, inventory, property, plant and equipment, and other assets such as prepaids, intangible assets, and other deferred charges.
- e. Understanding and determining the valuation of accounts such as inventories, accounts receivable, marketable securities, real estate investments, and the appropriate accounting and applicable disclosures. These include costing and pricing concepts such as LIFO, FIFO, lower of cost or market, and excess and obsolete inventory, etc.
- f. Applying appropriate testing procedures to determine the reasonableness of liability account balances, such as accounts payable, accrued liabilities, income taxes, and notes and contracts payable, and the reasonableness of capital accounts and revenue and expense accounts.
- g. Testing of revenue and profit recognition, cut off of sales, purchases, cash receipts and disbursements, subsequent events review, and examination of pertinent documentation.
- h. Determining the existence of related party transactions, commitments and contingent liabilities, and appropriate financial statement disclosures.

Under Item IV on the Certificate of Attest Experience (Public Accounting), it is expected the applicant has written comments, observations, and conclusions resulting from the work performed.

Under Item V on the Certificate of Attest Experience (Public Accounting), it is expected the applicant has participated in the preparation of and reporting on full disclosure financial statements. The experience required under this item may be fulfilled partially by review services, if adequately supported by workpapers.

2. Experience Discussion.

The performance of financial statement audits should primarily fulfill the experience requirement. In addition, attest experience may include a combination of:

- a. Review services **to the extent they comply with the documentation of analytical procedures and the development of expectations as required by the Statements on Standards for Accounting and Review Services.** Frequently, only analytical review procedures qualify; however, the scope of work may be extended in selected areas and, thereby, may qualify. Examples include performing analytical review procedures or extending the scope of work in selected areas. Experience obtained in other areas (such as accounting write-up, tax compliance, consultations, forecasting and projections) is not considered qualifying under CBA Regulation, Section 12.5.
- b. Other attest services including, but not limited to:
 - Statements on Auditing Standards 70.
 - Agreed-upon procedures.
 - Compliance audits.
- c. Compilation services **only to the extent preparation of full disclosure financial statements is supported by work papers. Compilation hours obtained after December 31, 2007, are no longer accepted as qualifying attest experience for licensure.**

The most frequent problems encountered by applicants with public accounting experience are:

- a. Failure to demonstrate and/or document participation in the audit planning process.
- b. Limited experience in applying audit procedures and participating in preparing and reporting on full disclosure financial statements. As a result, an applicant has difficulty demonstrating experience with disclosure requirements, financial statement preparation, and Generally Accepted Accounting Principles and Generally Accepted Auditing Standards requirements.
- c. Failure to demonstrate a reasonable awareness and understanding of current professional standards.

3. Other Sections of the Certificate of Attest Experience (Public Accounting).

- a. Summary of Attest Experience Hours (Part VI of Certificate of Attest Experience [Public Accounting]).

This summary should reflect only hours the applicant spent performing audit procedures pursuant to CBA Regulation, Section 12.5.

Experience in areas such as controllership functions, accounting write-up, tax compliance, consultations, forecasting, and projections, are **not** considered qualifying under CBA Regulation, Section 12.5.

The specific categories of experience should be completed as follows:

- | | |
|---------------|---|
| Audit Hours: | This section should reflect only those hours spent in the planning and performing of audit procedures or other attest services in an audit engagement, and the hours spent on financial statement preparation. |
| Review Hours: | This section should reflect only those hours spent in the performance of audit-type procedures or other attest services in a review engagement, and the hours spent on financial statement preparation. Frequently, analytical review is the only audit-type procedure performed, unless the scope in selected areas has been expanded, and audit-type procedures have been performed and documented. |

Other Attest Hours: This section should reflect only those hours spent in the performance of operational audits, compliance audits, and other audits, as well as performance of agreed-upon procedures of an audit nature. If the predominant qualifying experience is shown in this section, it is probable it will be reviewed by the Qualifications Committee of the CBA.

Compilation Hours: Compilation services **only to the extent preparation of full disclosure financial statements is supported by work papers.** Compilation hours obtained after December 31, 2007, are no longer accepted as qualifying attest experience for licensure.

b. Certifying an Applicant's Experience if Obtained in More Than One Office.

If a single Certificate of Attest Experience (Public Accounting) is submitted for an applicant who has obtained experience in more than one office of the same firm, a cover letter also must be submitted furnishing information as to the basis for completing the Certificate of Attest Experience (Public Accounting) for multiple offices. Alternatively, separate Certificates of Attest Experience (Public Accounting) should be submitted by the separate offices. **A separate Certificate of Attest Experience (Public Accounting) must be submitted for experience obtained outside the United States regardless of whether it was obtained from the same firm as that obtained in the United States.**

c. Responsibility Associated with Signing the Certificate of Attest Experience (Public Accounting).

All California licensees in public practice signing the Certificate of Attest Experience (Public Accounting) are subject to the provisions of the CBA Regulations, Section 69. The signers must carefully review the Certificate of Attest Experience (Public Accounting), evaluate, and judge each applicant's experience. The signer is certifying, under penalty of perjury, whether in his or her opinion, the applicant has met the attest experience requirements of the CBA for licensure.

If additional information would be helpful in evaluating the applicant's experience, the CBA encourages an employer to attach an explanatory letter.

CBA Regulation, Section 69 provides that the CBA may require an explanation of any representation made on the Certificate of Attest Experience (Public Accounting) and/or may inspect the documentation relating to an applicant's fulfillment of the experience requirement.

Under CBA Regulation, Section 69, the CBA expects the documentation in support of affirmative answers on the Certificate of Attest Experience (Public Accounting) to consist of a record of engagements on which an applicant actually performed the attest procedures, the amount of time spent by the applicant on the procedures, and the aggregate amount of time spent on such engagements. Upon request, actual financial statements and supporting workpapers are required to be furnished to the CBA.

d. Current Experience.

In evaluating the experience of an applicant, emphasis is given to recent activities that demonstrate the applicant's knowledge and application of applicable professional standards. In determining currency, generally the CBA considers experience gained in the last five years. If the experience was gained prior to that time, the CBA will require the applicant to furnish evidence that he or she is knowledgeable of current practice standards and pronouncements of the profession.

e. Worksheet.

The Worksheet for Substantiation of Qualifying Experience Under CBA Regulation, Section 12.5 has been included to assist the applicant and the employer in accumulating information to support the opinions expressed on the Certificate of Attest Experience (Public Accounting). **It is not necessary to submit this worksheet with the Certificate of Attest Experience (Public Accounting).**
